

Please keep a copy of this form for your records.

Your child has expressed a desire to join NextThought, a social learning platform that allows students to interact, communicate, and collaborate with others within the content of their educational materials.

Because your child is under 13 years of age, parental permission is necessary before NextThought can collect any information that may personally identify your child or allow access to its social features.

You may give your permission by completing and sending this form.
